We are pleased to announce the JSBBA (Japan Society for Bioscience, Biotechnology and Agrochemistry) KANSAI 8th Student Forum. This forum is a student-organized event sponsored by JSBBA KANSAI. Every presentation is to be made by "student only" and only in "English"; note that everyone can participate in this forum, regardless of data quality or English ability. Our purposes are to improve international communication skills and enhance international relationships for all students.

Please feel free to register and participate in this forum!
