- The latest information will be posted on the JKSC Twitter account !
- If you have any questions, email : jsbba.kansai.stu.com@gmail.com

 @JsbbaKansai

Special talk

Dr. SOWA Keisei

~2017 Obtained a Ph.D. at Kyoto Univ.
2017~2019 Mitsui Chemicals Agro, Inc.
(Mitsui Chemicals Crop & Life Solutions, Inc.)
2019~2021 Murata Manufacturing Co., Ltd.
2021~ Division of Applied Life Sciences,
Graduate School of Agriculture. Assistant Professor

Dr. Sowa's research field is biochemistry. Since he took the current position, he aims to understand the essential functions of living organisms from the viewpoint of biochemistry and contribute to society through biomimetic technology.

"No Risk, No Chance!"

What has he experienced in **academia, enterprises** and launch of **academia-based start-up?**

How does he consider **risks** and **chances** in his life?

We are pleased to announce the JSBBA (Japan Society for Bioscience, Biotechnology and Agrochemistry) KANSAI 10th Student Forum. This forum is a student-organized event sponsored by JSBBA KANSAI. Every presentation is to be made by "student only" and only in "English".

Note that everyone can participate in this forum, regardless of data quality or English ability. Our purposes are to improve international communication skills and enhance international relationships for all students.

Please feel free to register and participate in this forum!
